

 CRAFT  
FURNITURE

## WELCOME TO OUR WORLD OF TRUE CRAFTSMANSHIP!

Craft Furniture manufactures high-end, custom-made furniture using one of nature's most beautiful materials - wood. With our expertise in working with this exceptional natural raw material, we transform wood's unique colours, textures, and grains into useful pieces you'll love for life.

Catering to homeowners and professionals alike, our contemporary and traditional ranges include both fitted and freestanding furniture solutions. From our 1200m<sup>2</sup> factory in Cape Town, we deliver an unsurpassed client experience through our commitment to customization, budget considerations, and timely project completion.

## COMMERCIAL CAPABILITIES

Craft Furniture excels in high-end commercial woodworking for the hospitality, office interior, and retail industries. Our diverse commercial offerings encompass side tables, drinks units, servers, reception desks, display units, and more – all meticulously handcrafted from premium wood materials.

We collaborate closely with architects, designers, clients, and property developers to bring unconventional ideas and exacting interior visions to life through our custom wood fabrication solutions.

## RESIDENTIAL SOLUTIONS

For residential projects, Craft Furniture partners with clients to create luxury, bespoke wood furniture tailored to their unique needs and aesthetic preferences.

Our skilled artisans work with the inherent beauty of wood to craft fitted and freestanding pieces that add warmth and character to living spaces.

From traditional to contemporary designs, we ensure each custom furniture piece reflects our commitment to true craftsmanship using nature's finest raw material.
