MADE IN ITALY

LUALDI

SYSTEMS &
INTERIOR DOORS

At Lualdi, we design bespoke doors, systems, and furnishings for interiors in residential, business, and hotel settings.

HISTORY

1859

Carlo Lualdi opens his first joinery workshop to create beautiful custom-made furniture for the Italian and French aristocracy.

1950

Working with well-known Italian architects like **Luigi Caccia Dominioni** and **Vico Magistretti** and many more contributes to today's LUALDI brand identity.

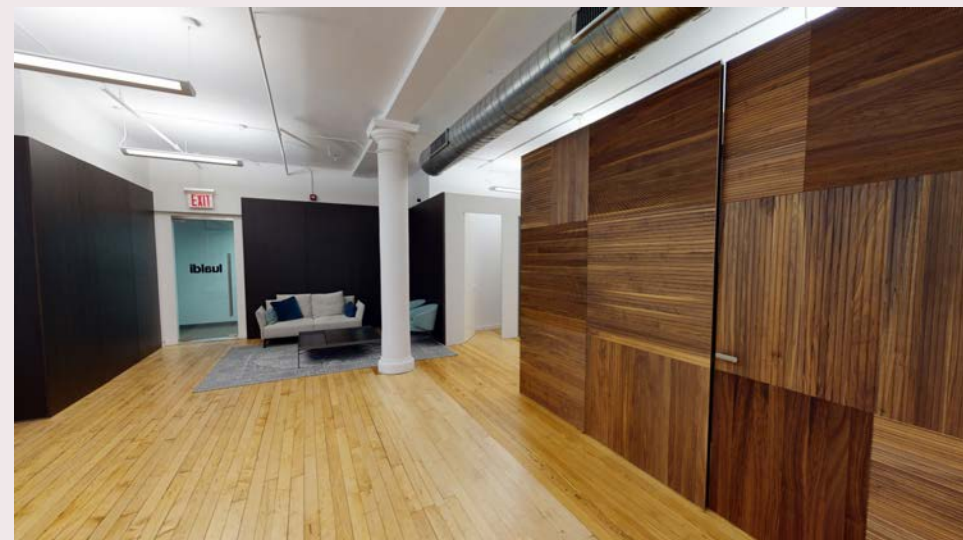

1990

Lualdi began to expand internationally into the **USA and the UK** and starting collaborations with renowned architects

2000

The company opens the USA subsidiary, with **showrooms in New York and Miami** and moves to the new plant in Marcallo, Milan Area.

2014

Lualdi is the first Italian manufacturer who wins the **Awards for the Best Designed door at Compasso D'oro XXIII.**

LUALDI

VALUES

Quality

We ensure the highest level of quality in:

- Materials & Finishes
- **Durability & Performances**
- Manufacturing processes
- Eco - sustainability & certifications

Flexibility

The celebrated quality, the **skilled craftsmanship** and the design & **production flexibility** are fundamental features to realize unique custom made projects in collaboration with architects.

Service

The company assists architects and clients with its team of designers and engineers. Our managers are available to **support the site operations and to provide a professional Project Management.**

HEADQUARTERS

The headoffice and production site are between Malpensa international airport and the city center of **Milan**, covering a total area of **15.000 sqm.**

A GLOBAL PRESENCE: SHOWROOMS

Lualdi is active in more than **50 countries** collaborating with the most influential architects and designers. With 5 flagship stores between Italy, USA and UK.

Milano

Milano - 20121

New York

584 Broadway suite
1005 - NY 10012

Miami

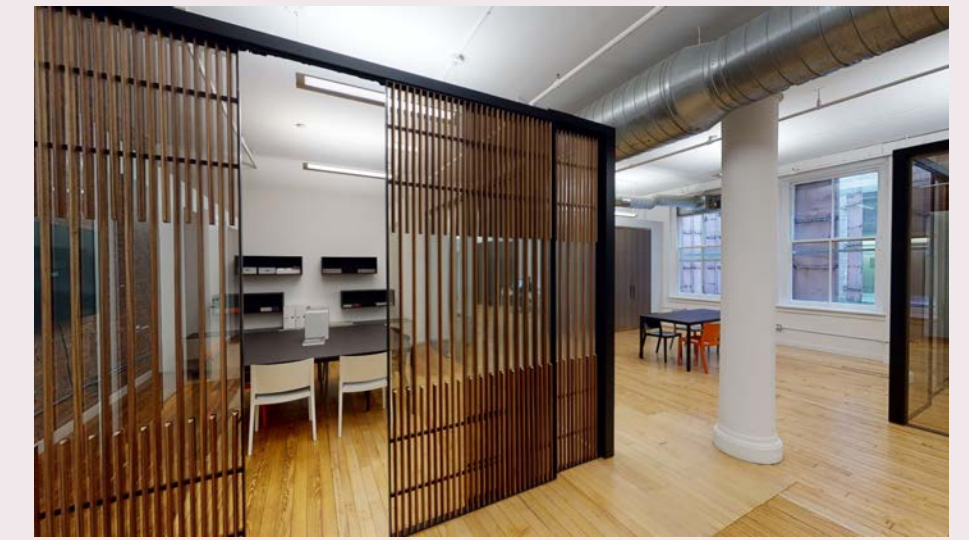

6101 Biscayne
Miami - Blvd - FL33137

Los Angeles

8784 Beverly Blvd, West
Hollywood - CA 90048

London

50 Eastcastle street
W1W 8EA

SUSTAINABILITY

Lualdi combines the use of carefully checked low-environmental-impact raw materials with a virtuous manufacturing processes, offering a perfect synthesis of technological innovation and artisan quality.

FSC

Holding the **FSC Chain of Custody** certification assures the clients that wherever possible timber is sourced from responsibly managed forests, often planting more trees than used for the products.

EPD

An **Environmental Product Declaration (EPD)** is an independently verified and registered document that communicates transparent and comparable information about the life-cycle environmental impact of products such as global warming potential, smog creation, ozone depletion and water pollution.

BREEAM

BREEAM is an international scheme that provides independent third party certification of the assessment of the sustainability performance of individual buildings, communities and infrastructure projects. Its categories evaluate energy and water use, health and wellbeing, pollution, transport, materials, waste, ecology and management processes.
